

Improvisation Ritual for Advanced

PELLEGRINAGGIO SONORO

with Oskar Boldre

The idea was inspired by the flight of migrating birds

- Switching the leading position allows them to fly incredible distances...
- The synchronized with rhythm allows them to blend with the wind...
- Metamorphosis and transformation are the elements their journey is made of...

These simple observations are the hint to spend some time together sharing an extraordinary experience based on the joy and the magic of singing together.

It can be planned as the conclusion of an Improvisation Workshop or as an independent experience, but in this case a few hours preparation before is needed (e.g. afternoon).

At dusk, we start the ritual walking towards a secret place. On the way we will stay in total silence. Once we are in this special place the vocal improvisation will arise, the only and unique sound expression on our path.

HOURS

At the end of a workshop:

The pilgrimage will take place between 9 p.m. and 11 p.m.

As an independent experience:

A few hours' work in the afternoon are necessary (4-7 p.m.). The pilgrimage will take place between 9 p.m. and 11 p.m.

THE RITUAL WILL TAKE PLACE IN ALL WEATHER CONDITIONS. THEREFORE BRING CLOTHES AND SHOES FOR A POSSIBLE WET PILGRIMAGE.

The group is limited to 6-12 participants and is intended for advanced improvisors.
