

Còco Band

CòCo Band

Group

The band is composed of 2 voices and a drummer. A concert may last 1 to 1.30 hours and can be divided into two parts.

Requirements

The band can perform independently and adapt the performance to the room, or even perform outside.

Sound

The group delivers and installs their own sound equipment for small and medium sized rooms. Bigger rooms require an additional powerful speaker.

microphones for voices and drummer

digital mixer

2 monitors

2 speakers for a total of 500 Watt

Lights

Where possible (in theatres, etc.) we perform in flat light (necessary colours: amber, yellow, blue, green, red, purple).

Otherwise side-spotlights can do, high enough not to disturb the singers.

Neon lights are to be avoided.

Stage Area

4 meters wide and 3 meters deep.

Stage Set-up, Sound Check and Rehearsal

3 hours

Dismantling of stage

1.30 hours

Miscellaneous

Since a drum set will be used the flooring needs to be considered.
