

Technical Requirements

Duo Boldre ~ Mauri

Group

Simone Mauri at the clarinets, Oskar Boldre voice and overtones.
A concert may last 1 hour and can be divided into two parts.

Requirements

The duo is completely autonomous as for amplification and can perform in any space included outdoors.

Sound

The duo supply and install their own equipment designed for smaller to medium-sized rooms (500 watt). If the space is bigger, a powerful sound-system is required.

Lights

Coloured lights match nicely with the atmosphere of this performance.
In any case, overly strong lighting is to be avoided.
Otherwise side-spotlights can do, high enough not to disturb the artists.
Neon lights are to be avoided.

Stage Area

3 meters wide and 2 meters deep

Stage set-up, Sound check and Rehearsal

2 hours

Dismantling of stage
